MEMORANDUM TO: DDI Production Board  
SUBJECT: Office PROJECTS Related to  
Soviet Defense Industries

25X1A

1. Attached are the office responses to the DDI's request at last week's Production Board meeting that each office currently undertaking research on Soviet defense industries indicate the status of that research and a brief synopsis of its scope and format.
2. The lists are being prepared to ascertain whether a proposal by [redacted] CPS Issues Officer for Communist Economic Systems, to undertake an interdisciplinary study of Soviet defense industries should be approved. In this regard, please note the recommendations from the D/OWI in his covering memorandum to the DDI.
